

# ACT empowers you to take bold steps toward your goals.

Awaken Collaboration Team (ACT) is a dynamic, high-level business collective designed for women entrepreneurs who are serious about growth, strategy, and meaningful collaboration.

## ACT is not a Networking Group

It is a strategically tailored environment where business owners come together to solve challenges, refine strategies, and accelerate success through structured discussions, actionable steps, long-term planning, and peer accountability.

## How ACT Works:

- ACT Collectives: Members are thoughtfully placed into a strategically tailored group [*Collective*] of up to seven (7) peers..
- Monthly Meetings: 4-hour, facilitator-led sessions focused on strategy, problem-solving, and scaling designed to:
  - ✓ Build discipline and consistency in business strategy
  - ✓ Tackle challenges with fresh insights and solutions
  - ✓ Explore opportunities for scaling and growth
  - ✓ Identify blind spots and roadblocks
  - ✓ Celebrate successes in a high-support environment
- Confidential & Results-Driven: A trusted space for open discussions, challenges, and shared solutions.
